IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.23767 of 2008
SUDHIR SINGH & CHANDAN KUMAR @ CHANDAN SINGH
Versus
STATE OF BIHAR
----

3. **12.8.2008** Heard.

The renewal prayer is on the ground that the assault assigned to the petitioners Sudhir Singh & Chandan Kumar @ Chandan Singh was not the cause of the death as was earlier submitted. I have perused the photo copy of the postmortem examination report which is available to the court with the carbon copy of the case diary and I find that there were three injuries on the dead body. The cause of death was the injury which was on posterior part of frontal bone with fracture of the underlying bone. This injury corresponds to the assault assigned to accused Ayodhya Singh. As regards the two petitioners there is no definite allegation as to on which part of the body they have blow and there are accused who are also alleged to have given *lathi* blow on the another parts of the body of the deceased.
